

SPEAK OUT FOR CHILDREN

JOIN PTA, urge presidents of 10th District Parent Teachers Association, as they launch membership campaign in district schools. Pictured are (l-r) Mmes. Wesley Lee, Gateway Council president; George Green, Gardena Council president; and William Mc-Waid, Avalon Council president.

World-Wide Communion Held Sunday

World-Wide Communion Services will be observed at the First Presbyterian Church of Gardena, 1957 Redondo Beach Blvd., with services at 9:30 and 11 a.m. Sunday, Oct. 7. Dr. R. Murray Jones will speak on "This Do in Remembrance." Nursery care will be provided for both services. The church school began its second session Sunday. Classes for three years through adult age will be held from 9:30 to 10:40 a.m. Classes for three years through sixth grade will be held from 11 a.m. to noon. Pre-registration will continue for the new fall term through Sunday. Mid-week Bible study groups resumed on Wednesdays at 10 a.m. with child care and Thursdays at 7:30 p.m. The first three weeks the groups will study the church school curriculum.

District PTA Begins 'Join Up' Campaign

"To Promote the Welfare of Children in Home, School, Church, and Community" is the first objective printed on the Parent-Teacher membership card and explains in one sentence why PTA is in existence today, according to Mrs. Wesley Lee, Gateway Council PTA president. Monday, children of the schools in the Los Angeles Tenth District of the California Congress of Parents and Teachers will bring home envelopes and letters inviting parents, friends, and relatives to join PTA.

The membership fee is 50 cents a year. "Every child benefits through the PTA directly or indirectly. The direct way provides milk, clothing, lunches and emergency relief for those in need; also educational loans, scholarships, and fellowships for those eligible applicants," she said.

"The 50 cents help indirectly by organizing study of home, school and community problems, securing adequate legislation for the care and protection of youth, extending recreational projects and practical school assistance, not obtained from school studies," Mrs. Malcolm Hickman, membership chairman said.

Torrance Minister Opens Annual Event

The Rev. H. Milton Sipe, minister of the First Christian Church of Torrance, opened with prayer the annual meeting of the National Evangelistic Association in Los Angeles Saturday.

"Sincere compassion and concern for the individual should be the motivation for the church's press for new members," Tom O. Parish Sr., president of the Association, Disciples of Christ, said.

"Our very function, as Christians, is to proclaim by life, word and deed the redemption which God has wrought for man, and man's responsibility to respond to His great love," he said in the final session of the NEA's annual two-day convention at the Biltmore Hotel.

Miss Gale Storm, television and motion picture actress and a member of Hollywood - Beverly Christian Church, sang and spoke to the assembly of ministers and lay people.

Parish, minister of Central Christian Church in Wichita, Kan., said his conviction is that evangelism is the task of rescuing man in a highly industrialized and mobile society to the knowledge and acceptance of God's redemption.

The NEA convention preceded the annual assembly of the International Convention of Christian Churches (Disciples of Christ), which opened Sunday.

Baptist Origin Topic of Sermon Offered Sunday

Sunday at the 8:30 and 11 a.m. duplicate services, the Narbonne Ave. Baptist Church of Lomita will hear Rev. Robert A. Wells, pastor, speak on "From Whence Came the Baptists?"

"Secular history gives an indelible record of the beginnings of every major denomination except the Baptists. Secular history is strangely silent as to when Baptists had their beginning. Some have tried to say they began with Roger Williams, but he joined a Baptist Church already in existence. Every Baptist church is independent and every Baptist is responsible to God. No place is found for their origin outside the New Testament. But even more important than where the Baptists began is what they believe, Rev. Wells said.

The 7:30 p.m. Sunday evening message by the pastor will be the last in the series on "Lord Teach Us." This message will be "Lord Teach Us How to Grow."

The Lomita church has set aside Sunday to select eight deacons. The selection will be made by vote of the membership.

The ordinance of the Lord's Supper will be observed at both the 8:30 and 11 a.m. worship services. Because of the crowded condition at the 11 a.m. worship services, the church has begun a campaign to urge more people to attend the 8:30 services.

The age group choirs began fall activities this week. The Youth Choir will meet Sunday at 5:30 p.m. The Junior Choir will meet Wednesday at 6 p.m.
